Subject: EPA Bristol Bay e-mail change

Greetings,

Starting this month, you will receive email about the EPA Bristol Bay Watershed Assessment from **"U.S. Environmental Protection Agency."** The content and sender of our messages will not change, only the service used to send them.

One important change to note is that you will not be able to respond to these emails. You can still reach us at R10BristolBay@epa.gov. Contact information will always be included in future messages so that you can easily reach us.

You do not need to do anything to continue receiving Bristol Bay updates from EPA.

Thank you for your interest in the EPA Bristol Bay Watershed Assessment.

Sincerely,

Judy Smith
